IN THE CLAIMS:

- In claim 27, on line 1, the phrase "The system of claim 10" has been replaced by --The system of claim 19--.

REASONS FOR ALLOWANCE

3. Claims 1-27 are allowed.
4. The following is an examiner's statement of reasons for allowance:

As per independent claim 1, none of prior art of record teaches or suggests a system for data communication, as claimed. Goldstein et al (5,394,440), previously cited, fails to teach a constellation encoder, in associated with limitations recited in the claim. It would not have been obvious for one skilled in the art to implement Goldstein et al, in view of other prior art of record to make such implementation leading to the claimed invention.

Art Unit: 2631

As per independent claims 10 and 19, none of prior art of record teaches or suggests a method and associated system for data communication, as claimed. Goldstein et al (5,394,440), previously cited, fails to teach step/means of developing a signal constellation, in associated with limitations recited in the claims. It would not have been obvious for one skilled in the art to implement Goldstein et al, in view of other prior art of record to make such implementation leading to the claimed invention.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
